### **4) New logo and branding project launched**

You may have noticed the new logo atop this email. We have adjusted the logo to include the full name of Wheat Ridge 2020 and have incorporated a new tagline to reflect the mission and vision adopted by the organization.

The next phase of this project includes a website redesign to launch at the end of December.

The new website will be more user-friendly and incorporate the new elements of WR2020.

Please look for an email in a couple weeks asking you take a look at our design and fill out a

survey so we can make it as accessible as possible before the launch. Your feedback will be important to the success of the site.

Please do not use or reproduce the Wheat Ridge 2020 logo without the expressed consent of WR2020 staff.
